Batteries to suit UPS

2 Volt cell 15 years Design Life

12 Volt cell 10 year Design Life (1.2 Ahr, 200 Ahr.)

Features which can be incorporated are as follows.

Digital Amp Meter

Digital Volt Meter

Analogue Amp Meter

Analogue Volt Meter

Dual sprung moving coil Meters

Lead connection / Red & Black terminals

Lead connection / Anderson type Plug

Additional Banana socket connected to volts for Data Logging

Carry Versions

Trolley Versions

Any range of Current increments & voltages

Standard Feature

Internal wiring high temperature Silicone

Cabinet made of zinc seal steel

Powder coat cabinet

Anodised aluminium panel

High Temp / Current terminals

Fan cooled for continuous run

High Quality Switch's

Model LB-24-60B

Switch Load 6 position At 2 Amps Total 12 Amps

Switch Load 6 position At 8 Amps Total 48 Amps

Model LB-24-60

Switch Load 6 position At 10 Amps Total 60 Amps

Trolley Version Available

Replace LB with LBT

Size W-300 / D-200 / H-450 Kg 15.0
